Dear Professor Zener,

Thank you very much for your letter of last April.

Please find enclosed the complete third circular and the programme. You do not need to fill the form for the hotel reservation, because I will do it personally for you and your wife.

We are delighted that you will contribute to the historical session, and please discuss any detail with Prof. Nowick.

I am very sorry for the accident you have had at your leg, but I am sure that you will have recovered for the time of the Conference.

I am looking forward to seeing you in Rome. Please give my best regards to your wife.

Yours sincerely
Rosario Cantelli
